Subject: RE: RDAP Transfers Tomorrow [IMAN-DMS.FID66630]

Good morning Kara,

KC was not put on the bus to transfer to RDAP this morning. Since we did not hear from you at close of business last night, we needed to make a decision. You indicated below that you expected BOP would make KC available to testify remotely at the hearing next week if she left this morning. Since we wanted to safeguard against a scenario where transit might make her unavailable to testify remotely, it was determined it was best for her to remain at the facility so as to not impact her ability to testify. She will be on the next move to the RDAP facility in January, and this decision does not adversely affect her ability to timely complete her programming and earn requisite credits.

Thanks,
Rob

All,

KC called me this morning to say she was told she will not be transferring to RDAP. She does want to transfer and would prefer to transfer even if it means she is unable to testify. Please advise.

Thank you,

Kara

Rob,

Our understanding is that MH does not want to transfer and previously submitted requests not to be transferred after she was first informed of this transfer following our visit on 12/21.

I am waiting on confirmation from KC and will respond as quickly as I can once I receive confirmation from her. If KC is transferred, the Court has procedures for individuals to testify remotely and we would expect BOP would cooperate in making her available remotely to testify through those procedures.

Best,

Kara Janssen

Subject: RDAP Transfers Tomorrow

Importance: High

[EXTERNAL MESSAGE NOTICE]

Good afternoon Susan,

It was brought to my attention that you have two prospective witnesses that are due for transfer tomorrow for RDAP-related purposes with the initials MH and KC. Their paperwork was processed well before this hearing was set and witness lists were released. Please reach out to your clients and ask whether they still wish to be transferred as previously scheduled or whether they wish to be present for the hearing, in which case they would have to be transferred at a later date if they still wanted to participate in RDAP. I understand that everyone has a lot to do in the next few days, but I will require an answer in writing from you by COB this evening, as this is a time-sensitive request.

Thank you,
Rob
